 - *EarthPool (published by 27Jul2020)*

Requirements

1. You have been offered the opportunity to apply to an Austin gaming company for openings on their game development team. As part of your application, they have requested that you submit a game that you developed based on the concepts you learned in GAME2341. Candidates have been prescreened and all meet the preliminary qualifications. Positions will be awarded based entirely on game submissions.
2. Take screenshots of your game successfully running and include the screenshots with your Bb submission.
3. Submit the files individually to Bb.
4. [Include comments in a *Comments.txt* file in your project with a statement explaining your experiences with Assignment 09. Make this authentic \(minimum of 2-3 sentences\).](#)

TEST – TEST – TEST your application to ensure the specific program requirements are met.

- Not meeting all requirements = 0 points for the assignment.
